

BATTLESHIP[®] **III**

HERBICIDE

The Power to Control Tough Broadleaf Weeds Without 2,4-D!

Helena's Battleship III provides superior control of tough broadleaf weeds in turf. It's a premium post-emergent, selective broadleaf herbicide in an easy-to-use liquid formulation. Use it on fairways, aprons, roughs, sod and in many other areas.

- Superior control of stubborn broadleaf weeds like Oxalis, Clover and Black Medic
- Performs well in cool- and warm-season turfgrasses
- Contains Triclopyr, Fluoroxpyr and MCPA
- Ideal in 2,4-D sensitive areas
- Contains patented adjuvant system
